

ADMIN AREA-

The screenshot shows the CMS Admin Dashboard. The browser address bar indicates the URL is localhost/cms/admin/. The dashboard features a sidebar with navigation links: Dashboard, posts, categories, comments, users, and profile. The main content area displays a welcome message "welcome to admin test" and four summary cards: Posts (7), Comments (9), Users (2), and Categories (8). Each card includes a "View Details" link. The bottom of the screen shows a taskbar with various application icons and a system clock indicating 4:08 PM on 4/27/2019.

The screenshot shows the CMS Admin Posts page. The browser address bar indicates the URL is localhost/cms/admin/posts.php. The page features a sidebar with navigation links: Dashboard, posts, categories, comments, users, and profile. The main content area displays a welcome message "welcome to admin Author" and a table of posts. The table has columns for Id, Author, Title, Categories, Status, Image, Tags, Comments, Date, View, Edit, Delete, and Views Count. There are also "Select Options", "APPLY", and "ADD NEW" buttons at the top of the table.

Select Options	Id	Author	Title	Categories	Status	Image	Tags	Comments	Date	View	Edit	Delete	Views Count
	48	lucky vyapari	javascript	bootstrap	published		javascripts	0	2019-04-04	View Post	Edit	Delete	2019-04-04
	47	lucky vyapari	loremipsum	bootstrap	published		lorem	0	2019-04-04	View Post	Edit	Delete	2019-04-04
	46	lucky vyapari	gfdgfd	bootstrap	published		tagmaker	0	2019-04-04	View Post	Edit	Delete	2019-04-04

Add post-

The screenshot shows a web browser window with the URL `localhost/cms/admin/posts.php?source=add_post`. The page is titled 'CMS front' and has a dark sidebar with navigation links: Dashboard, posts, categories, comments, users, and profile. The main content area is titled 'welcome to admin Author' and contains a form for adding a new post. The form fields are: Post Title (text input), Post Category (dropdown menu with 'bootstrap' selected), Post Author (text input), Post Status (dropdown menu with 'select options' selected), Post Image (button 'Choose File' and text 'No file chosen'), Post Tags (text input), and Post Content (large text area). A 'Publish Post' button is at the bottom of the form. Below the browser window, a taskbar shows several application icons and the system clock displays '4:09 PM 4/27/2019'.

Post Title

Post Category: bootstrap

Post Author

Post Status: select options

Post Image: Choose File No file chosen

Categories-

The screenshot shows a web browser window with the URL `localhost/cms/admin/categories.php`. The page is titled 'CMS front' and has a dark sidebar with navigation links: Dashboard, posts, categories, comments, users, and profile. The main content area is titled 'welcome to admin Author' and contains a form for adding a new category. The form has a label 'Add categories' and a text input field. Below the input field is a button labeled 'Add categories'. To the right of the form is a table with the following data:

Id	category title			
1	bootstrap	Delete	Edit	
90	java	Delete	Edit	
91	javascript	Delete	Edit	
92	python	Delete	Edit	
93	c++	Delete	Edit	
94	luuu	Delete	Edit	
95	yhdyfg	Delete	Edit	
96	yhdyfg	Delete	Edit	

Below the browser window, a taskbar shows several application icons and the system clock displays '4:09 PM 4/27/2019'.
